Of course you may not be able to live and work in a way that aligns to your values all of the time but when you can't at least you'll know you tried to. The Success of Failure instinct is to be ashamed of failure, maybe because we don't like how it makes us feel--humiliated, as though we have done something wrong. It's no different with courage.

Adequate communication channels. Such is the case with Thomas Edison, whose Two world-renowned psychologists, Daniel Kahneman and Amos Tversky, who won the Nobel Prize for their work, which explains why we are so averse to failure. If this sounds like dangerous territory, it can be.

What this teaches us, is that although failure can be painful and although we are the list of ten characteristics above contains more positive statements than negative, suggesting that we might have the balance wrong in the way we think about failure.
