Here, too, couples concerned about complying with traditional rulings are urged to consult with a rabbi, as circumstances may dictate which methods are acceptable in particular cases. However, some rabbinical authorities maintain that if the pregnant woman expresses anguish about her own mental, emotional, or psychological condition resulting from an impending birth, then her pain may warrant an abortion. How is the supremacy of the laws safeguarded? Although environmental studies Men and women are accorded completely equal status in Liberal Jewish marriage law and ritual. In some of these, Jews were permitted to own and work the land. Barry E. Hirsch argued that analyzing even the slightest minutiae of tradition as products of their historical context, was akin to denying the divine origin and timeless relevance of it all. No specific journals are devoted to it.
