Black and Hispanic college students experience more loneliness than their white peers, even at schools where whites are the racial minority. He allows, though, that self-confidence is required to take that first step. They completed the pre-ritual questionnaire and were individually interviewed. Why choose us? Our data cannot shed further light on these two alternative explanations and more research is needed to differentiate these possible effects. Figure 1. In his print review, Ebert gave Firewalker 1 star out of 5. Was this review helpful to you?
