The Third Man by Peter Mandelson | Book review | Books | The Guardian

Peter Mandelson was nervous in the run-up to the publication of his book that the press would inevitably focus on what he calls the "occasional".

The story of his emergence through this difficult period of Labour history, and of the rise of Blair and Brown, is a fascinating read and Mandelson manages to persuade you that the Blair-reforms actually stemmed from his own philosophies and understanding of the game-changing policies that Labour had to introduce to avoid extinction. Tony Blair once said he was not born into the Labour party; he chose it. Much of the book is devoted to the defining political relationships of Peter Mandelson's life - with Tony Blair and Gordon Brown. If you have changed your email address then contact us and we will update your details. The very last lines are nostalgic, emotional, stirring and honest. Edition: First Edition, First Impression. Already a subscriber or registered access user? Labour had to find ways of appealing to voters far beyond our old loyalist core from The Telegraph. Understandably, Labour Party members and MPs hate all this stuff.
