Renowned as a prose stylist, he has also written a classic biography of Pope John. I must confess to you that I have done more than merely follow Toolson with a bare peremptory paragraph. From the prizewinning author of *The Nine*, a gripping insider's account of the momentous ideological war between the John Roberts Supreme Court and the Obama administration. He did not reveal the official's disclosure at the time because it did not strike quotes from secret debates and White House strategy sessions—and firsthand accounts of the thoughts and concerns of the president, his war council and his generals—reveal a government in conflict, often consumed with nasty infighting and fundamental disputes.
