By November the value of the mark was falling so rapidly that a worker paid in mark notes had to spend them immediately: if he waited until the following day, his notes would be worthless see Illus. A central piece in this puzzle is the strange story of German Communism. There was despair in abundance to be sure.

This strengthened the control of big business over the German economy. But then, you too are naturally as cowardly as I am. On our way through the forests we passed a memorial to the fallen in

the war.

But on the first night that he did not come home, she opened the gas. The book reads
day Germany is a well-established democratic .
