Fortunately we have in Montreal a unique daily show analysing North American Markets with a Technical Analysis approach. Can be a bit technical, but stick with it This book is a "must read" for anyone trying to build an investment portolio. FinancialAdvice. All you will need to get started is a computer, an Internet connection. The book spans innovation by trial and error, life decisions, politics, urban planning, war, personal finance, economic systems, and medicine. From the "guru to Wall Street's gurus" comes the fundamental techniques of value investing and their applications. Audible where is the PDF!?!? Shannon believed it was possible for a smart investor to beat the market - and here is how to make money wholesaling real estate without having to swing a hammer or deal with tenants. Forget the fads and marketing hype, and focus on what works in the real world.
