It takes practice and ingenuity to be able to play multiple difficult lines musically at the same time, so approach them slowly and methodically to be sure you are using the correct fingerings and gaining an understanding of the underlying musical idea. Recommended Lessons. The notebooks provide a good window into what music the Bach family was practicing and listening to at home, and likely assigning to their own private students. Galway,IrelandSellerRating:. An important thing to remember about this style of composition and instruction, is that many parts of the resulting compositions are not necessarily idiomatic to the piano. Throughout the piece, these two musical ideas are developed, so be sure to look closely at how they are constructed and played before moving on! Two are especially eloquent: his obituary written by his son, Carl Philipp Emanuel and his student, J. Viewbasket.I'm not sure if anyone playing rock guitar could be described as a "purist", since rock technique is almost universally personalized. Modern composers have continued to draw inspiration from Bach's keyboard output.
