Sometimes all it takes to sell a simple twist is a particularly fantastic acting performance, and that's precisely what happened when a young actor named Edward Norton made his cinematic debut in this tight-fisted little courtroom thriller. Presumably, the flask is a gift or some sort of good luck charm.

She's not sure how she was transported back in history so doesn't know if she'
The brilliance of The Invitation is that it's essentially two movies: a horror movie about a cult performing an awful ritual, and a story about a man whose past sends him unraveling to the point of a complete mental breakdown. Pete Wells joined The New York Times as dining editor in and has been its restaurant critic since
