Opponents should not be treated as enemies but as personal challenges. Anne Trine Kjørholt.

To assure that the best were elected and for the sake of rational government, Lincoln, Y. Communication deficits represent a significant vulnerability due to the inability to use voice protectively. Ultimately, reaching community members through their community leaders is the key to linking inclusively with an underserved community.

But is conscious social reproduction the only aim of education? Another important barrier preventing children's participation in youth development programs was high costs of programs.
