More filters. Since loading of the tanks, vehicles and stores of the second wave onto the returned barges and transport ships would take at least a week, the second wave could not be expected to land much less than ten days after the first wave, and more likely longer . SamRockett. This was a mistake. If the exact details of the operation were known to the enemy, he could defeat it; but this would probably lead him to adopt defences which would largely indicate that he had discovered what we proposed.

TheupsanddownofcommandbetweenearlyandlateintheDoverPatrol,onlysec Kriegsmarinealready numerically far inferior to Britain's Royal Navy, had lost a sizeable portion of its large modern surface units in April during the Norwegian Campaignneither as complete losses or due to battle damage. As early as 14

August Hitler had told his generals that he would not attempt to invade Britain if the task seemed too dangerous, before adding that there were other ways of defeating the UK than invading.
