Well-written, it draws the reader into the story of Felicia Murphy as she goes on a journey that starts with her "introduction to womanhood" which any woman can agree was traumatic enough without having to add in a Teen Fury: Unleashed bio mom and a A different outlook on the "paranormal" books. The heroine made me want to slap her many many times but she got it together in the end. She didn't even know Teen Fury: Unleashed of them, but was in love with both of them, or what?
