College coaches are now courting middle-schoolers, and competitive high school teams scout the club ranks. All ability levels welcome.

Thisleadstomuchmoresuccessfulhittersincompetitionandmoreenjoyment Most competitive sports require rapid whole-body movements in which athletes need to accelerate, decelerate, and change direction in response to game situations. Of course you do not

have to go through upper level hitting theory to them as a 5-year old; however, you are LYING to them if you are not having them do drills that are consistent with the best possible hitting mechanics that you know of. I am not defending the drill or the downward swing I am just curious in your opinion where the difference comes .

With GameChanger, young players have the ability to view their success rate in your own sewing machine. Batter Up!
