One was their successes in Italy, another was their successes in France in the summer of and a third may have been because the Allied armies in Italy were reduced in strength in as veteran units were transferred to the new battle zones in France. He convinced his interrogators that he was a downed flier and consequently was taken to a prisoner of war camp for captured Allied aviators, first in Italy and then in Germany . In the process the Army group lost its momentum, allowing the German to retain

his submachine gun, he killed all eight Germans in the command center, which enabled the rest of his unit to destroy seven bridges along the line.
