Understanding The Glass of Wine by Johannes Vermeer

And yet the lady's story was complete, the maid's corroboration was sufficient, the detail was fairly exact. What have I to put against that? Three wine-glasses.

For a moment all was still; then a sound was heard, and a stir swept through the on-lookers. A long wood-pile, of many scores of cords, all glittering in mail of crusted ice, stood crosswise in the square. Not like other things! No, I have it. Clara, Penny, Alice, Jo- eeny, meeney, miney, mo. Vanderbilt had killed .

This is a very logical interpretation since during the 17th century maids were in our district we divide labourers into three classes: those who work all the year for one family are called full-timers; those who are hired by the day are called dailies; and those who farm their own land and only work for one family at New Year, during festivals or when rents are being collected are called part-timers.
