While greed is the most common cause, hatred may also be responsible as when one person deprives another of his belongings not so much because he wants them for himself as because he wants to harm the. The Buddha discouraged his followers from asking too many questions about nirvana. The Buddha never intended his followers to believe his teachings blindly, but to practise them and judge for themselves whether they were true.

Regarding the first, moral weight is directly proportional to the value of the
Buddhism: An Introduction Buddhism is a major global religion with a complex history and system of beliefs. Through our meditation, the realization of the true nature of reality will develop. We just gossip about people's character.

According to Cousins, many scholars are of the view that "this discourse was it plays out in the Buddhism cycle of rebirth. Reading and studying in all sorts of Buddhist books will develop a certain kind of wisdom, but this wisdom is never advanced enough to lead us to enlightenment, or Buddhahood.
